## High Tech FREE TOXICS TICKS & FLEAS COLLAR

Collars using pesticides can be harmful to your dog and needless to say that are also very dangerous for all humans being around the pet like pet owner, children, family etc...

This tiny, lightweight free of pesticides collar can easily keep fleas and ticks away from pets without using harmful chemical pesticides... One size fits comfortably on any size pet from kitten to St. Barnard. Safety:

High Tech FREE TOXICS TICKS & FLEAS Collar is 100% safe for pets and their owners.

Pulsed sonic waves emitted well out of hearing range of humans, dogs and cats. Field tests conducted in kennels by veterinarians and individuals showed High Tech FREE TOXICS TICKS & FLEAS Collar was better than chemical methods because it is effective, easy and safe.

### Features:

Weighs only 80 Grams

Comfortable for all cats and dogs.

Materials PVC

SIZE: 71MM X 28.5MM X 26mm –

PACK: 1PC/BLISTER CARD, 48PCS/INNER BOX

240PCS/CTN/2.8'/19KGS

Colour black—Other available for order qty

Applicable for dogs, cats and other pets. 100% safe and effective for pets.

No odour, no fuss, no mess and no chemicals.

### Function :

Before using collar, comb your pet's hair completely. Usually your pet will stop scratching from fleas in one day.

Keep combing pet's hair and using High Tech FREE TOXICS TICKS & FLEAS Collar for 5 days, you will find less than fleas on your pet.

To rid your house of fleas in the shortest time, we recommend that the indoor living area be treated to bring the flea pollution down to manageable size.

### How It Works:

High Tech FREE TOXICS TICKS & FLEAS Collar is a high technology product. It creates an environment of discomfort in which fleas and ticks can't stay

The effective area is 4 feet, so it can be also used in a kennel or bed.

**NO TOXICS, NO CHEMICALS - SECURE AND ENVIRONMENTAL FRIENDLY  
WORK 24 HOURS/DAY - 365 DAYS/YEAR**
