or 115V/60Hz

**DC 12/24V & SOLAR**

## PORTABLE FREEZERS/COOLERS THREE WAYS (GAS+AC+DC)

Qty per 20/40/40HC FCL

ATL-45

45 Litres portable fridge/freezer. Ice making. Can be operated by **gas** butane, propane, LPG, NG, **electricity** and also **battery /solar** - fridge/freezer

176 384 480

ATL-50G

**50Litres, portable fridge.** Ice making. electric/battery+solar/gas operation. fridge/freezer

176 352 440

ATL-70G

Powerful portable **DEEP FREEZER & FRIDGE, 70Litres Ice making.** operated by electricity/battery+solar/gas

## THREE WAYS FREEZERS/FRIDGE VERTICAL - CAMPING CARAVAN

ATL-100G

100L, fridge, electric/battery/solar/gas operation . Freezer department

54 114 171

ATL-110G

110L, fridge/freezer, electric/battery/solar/gas operation Freezer department

54 114 171

ATL-100gas

100L, fridge/freezer, gas operation. Freezer department

54 114 171

ATL-110gas

110L, fridge/freezer, gas operation. Freezer department

54 114 152

## FRIDGES & FREEZERS (low consumption) 110-240Volts/12/24volts battery/solar operation FOR BOATS, TRAVELS, CAMPING, CARAVANS, MOTOR-HOME....

ATL-40DC

Portable fridge/cooler capacity 42L, **12/24 Volts for battery/solar operation. Ice production**

176 352 440

ATL-40AC

Portable fridge capacity 42L, AC 220-240 Volts electric operation. Ice production

176 352 440

AT32DC

HIGH PERFORMANCE COOLING SYSTEM 32Litres . Min.Temp -15°C. 12/24 Volts or dual battery/solar/ AC electric. **Battery/solar operation.**

169 338 396

ATSL-45

45Litres **DUAL SUPER-FREEZER Maximum cooling Performance : ~55 degree C below ambient** Voltage : **DC12V/24V/220~240V AC/DC** Adaptor SUITABLE FOR PRODUCING ICE-PACKS2 compartments

## MINIBAR FRIDGES - 100% SILENT OPERATION

ATL-23		capacity 23L, absorption cooling system,electric 110 or 220 volts 50/60Hz or battery/solar	260	520	650
ATL-33		capacity 33L, absorption cooling system,electric 110 or 220 volts 50/60Hz or battery/solar	260	560	560
ATL-38		capacity 38L, absorption cooling system,electric 110 or 220 volts 50/60Hz or battery/solar	160	336	420
ATL-43		capacity 43L, absorption cooling system,electric 110 or 220 volts 50/60Hz or battery/solar	210	440	460
ATL-100		capacity 100L, absorption cooling system,electric 110 or 220 volts 50/60Hz or 12/24 Volts battery/solar. With 2 star freezer compartment	81	171	171

## SILENT ABSORPTION COOLERS WITH GLASS DOOR

ATL-33B		capacity 33L, absorption cooling system, glass door,,electric 110 or 220 volts 50/60Hz or battery/solar	210	440	460
ATL-43B		capacity 43L, absorption cooling system, glass door,electric 110 or 220 volts 50/60Hz or battery/solar	210	440	440

## UNIQUE SILENT ABSORPTION WINE CELLARS - NO VIBRATION

ATL-50B		20 bottles, absorption cooling system, glass door,electric/battery/solar operation	186	376	400
ATL-110B		40 bottles, absorption cooling system, glass door,electric/battery/solar operation	90	191	228

## MINIBAR - SILENT OPERATION

ATL-46A		capacity 46L, white,electric 110 or 220 volts 50/60Hz or battery/solar	220	460	574
ATL-65A		capacity 65L, white,electric 110 or 220 volts 50/60Hz or battery/solar	132	276	310

## WINE CELLAR - NO VIBRATION - 100% SILENT- SEMICONDUCTOR COOLING

ATL-23B		8 bottles, led, w/ light, silver door frame & handle,electric	363	725	830
ATL-26B		10 bottles, interior light, handle,electric	320	640	720
