

## ELECTRONIC PEST & ANIMAL REPELLERS AND KILLERS , PESTICIDE FREE

*Products for a safer life*

Through our division of home products we provide products for a healthier, safer and simpler living. Our products monitor dangers or improve family health, security or quality of life. We offer the most modern Pest Repellers to keep out Insects and Rodents Safely .

We offer only the best in pest control products. They are powerful, small, and attractive and our customers agree, the most effective electronic pest control products, available. Use of our pest control products, make pest control easy.

Simply connect these Powerful electronic forms of pest control products in and let them go to work for you. Our products use a powerful combination of electromagnetic, Ultrasonic , sonic and Ionic pest control technologies, to safely and environmentally drive pests out.

We also offer a complete range of **UNIQUE PEST KILLERS** using FREE PESTICIDES SYSTEMS for attracting and killing mosquitoes, cockroaches , flies and many other pests.

Our electronic pest control products are designed to reach deep into Walls, Ceilings, Baseboards, Cabinets, floors, attics and many other places Chemicals, Poisons, Powders traps and other pest control products don't. 90% of the pests live within the walls and with our Electric pest control products, you hit pests where they nest and breed. The pest Repellers are designed to go directly to the source and drive the pests far, far away.

Only electronic pest control products cover such a wide variety of pests. Roaches, Ants, Spiders, Mice, Rats, Crickets, Bees, Silverfish, Earwigs, Scorpions, Fleas, Ticks, Mosquitoes, Bats, Flies, Beetles, Moths and many other pests our consumers have reported, don't stand a chance..

Our **pest repellers are safe for pets, children and adults creating an even safer and healthier environment for you and your family.** Nothing compares when it comes to the overall Pest Repelling Power of our electronic pest control products.

### WHY OUR ELECTRONIC PEST REPELLERS & KILLERS ? Comparison table general Pest Control VS. Electronic Pest Control

#### Usual Pest Control

- Use toxic Chemicals, Works on surface pests only
- Degrades with environment
- Unsafe for family and pets
- Strangers enter the home (technicians)
- Wait time to be serviced, Repeat service
- Costs \$3,000-\$5,000 over 10 years
- Very invasive
- Pests build up a tolerance
- Toxic Residuals
- Spray 30 cents worth of chemical
- Varies in quality
- Makes Pests disappear temporarily
- Can cause respiratory problems
- Most of them are carcinogenic
- Special License Required
- Messy
- Regular Bill (annual, monthly etc.)
- Kills Animals, pests, and even Birds
- Surprise visit from Exterminators
- Cut holes in the walls
- Not Tangible (can't see it)
- Time consuming take time off wait for tech
- Binding contracts
- Old Technology
- They can't be concerned for customers safety
- Available to mainly home owners
- No indication if it is working
- Cannot be installed where there are children, pets, food etc..

#### Our Electronic Pest Control

- No Toxic Chemicals, environmental friendly
- Works on surface pests and gets into the walls
- No more worries, it keeps working 24 hrs/7 days/365 days a year
- 100% Safe for family , children and pets
- No Strangers (technicians)
- Serviced on the spot
- One time for life— The longest life span
- Small one time cost , costs Pennies per year in electricity or simply nothing (SOLAR ONES)
- Non-invasive
- Pests cannot build up a tolerance
- No residuals (no chemicals involved)
- No chemicals sprayed
- always the same high quality
- Makes Pests disappear permanently
- No respiratory hazards
- Non-Carcinogenic, no License required, Clean No Bill
- Repels rodents, and pests
- No Exterminators, No holes in the walls
- Very Tangible (you can see it working)
- Plug it in and forget about it
- No contracts, New Revolution in Pest Control
- Safer & more effectiveness
- Available to anyone renters included
- Indicator Lights show it's working
- Can be installed anywhere

# MULTI-FUNCTION PEST REPELLERS

**Repulsivo electrónico**  
**4 en 1 INTELIGENTE**

## **SUPER 9000** **4in1 INTELIGENT** **PEST REPELLER**

**+5 YEARS OF USE**  
**WITHOUT**  
**REFILLING .**

Using the exclusive  
**INTELLIGENT**  
technology , using a  
combination of  
repelling systems  
including extremely  
special super low  
frequency

electromagnetic waves , super low frequency waves , ultrasounds  
and infrared rays. LED STATUS and nigh lamp.

Repels **bugs, cockroaches , mice, rats and other rodents**

Indoor use. Elegant and compact appearance, easy to use.

Using multiple system for repelling a wide range of pests .

**Multi voltage: 90-240V- 50/60Hz**

Covered area 2500 sqm feet/232 Mt2. 12pcs **Master carton**

Multi-high-tech of electromagnetic wave, fixed and variable frequency ultrasonic , selectable by user, and flashing light for highest effectiveness. Elegant and compact appearance, easy to use.

The electromagnetic wave and ultrasonic sent out by this product adopt variable auto-sweeping so pests cannot accommodate to them. The super low frequency electromagnetic wave sent out by this product can cut through wall effectively .Low power consumption suitable and long life use.

Floor Night Light Switch .

Power input: 220V~240V/110V~130V -50/60Hz.

Max power consumption: 9 watts

Safety standards: CE/UL/ROHS

**Protects up to 250 Mts2**

Direct Plug-in. LED status indicators

Twin dual ceramic piezo emission. Exclusive Pest Repeller Technology

Double band range selector

Continuous/Flash on-off selector.

Variable/Fixed Pitch selector

**+5 YEARS OF USE WITHOUT REFILLING .**

Auto-changing and auto-sweeping high intensity frequency,

**4 IN 1 system:**  
**Electromagnetic waves + super low**  
**frequency waves + ultrasounds + In-**  
**fra red rays + night light**

## **ROYAL 3000**

**SUPER POWERFUL**  
**ELECTRONIC PEST**  
**REPELLER EFFECTIVE** to  
control fleas, beetles, ticks,  
spiders, silverfish, crickets,  
roaches, ants, moths,bugs,  
mites, rats and mice

The **NEW ROYAL 3000** IS THE UNIQUE EMITING  
**ULTRASONICS** and SUPER LOW FREQUENCY  
ELECTROMAGNETIC WAVE, transmitting by itself blast-off  
component and power cable, can effectively stimulate the pest  
( such as cockroach, ant, spider, flea and bedbug) nerve system  
and sense of hearing system in its governing scope, obliging them  
to drive out the area. It also incorporate flashing lamp as visual  
repelling system.

**UNIQUE WITH 5 FUNCTION MODES , 2 LED STATUS**

Can produce variable and fixed frequency ultrasonic to effectively  
repel rat and other pests in its governing scope.

## **ULTRAMAX** **8000 PLUS**

**NEW REPELLER DE**  
**WIDE SPECTRE. Against**  
**PEST BIRDS, BATS**  
**RODENTS, RABITS,**  
**RATS , MICE,**  
**SQUIRRELS, etc..**

HELP TO FIGHT AGAINST  
BIRD FLU.

**+5 YEARS OF USE, NO**  
**REFILLAGE , NO**  
**MAINTENANCE.**

IDEAL IN GARDENS,  
ORCHARDS, CULTURES, PORTS, VESSELS, FARMS, FIELDS ,  
AGRO INDUSTRY, HOSPITALS, SCHOOLS....

## **TRIPLE SYSTEM**

- **+ UNTRASOUNDS**
- **+ SONIC SYSTEM**
- **+ ESTROBOSCOPIC LED LIGHT WITH**  
**+ 100.000HOURS LIFE SPAN**
- **+ INTEGRATED PIR SENSOR**

No cables , battery operated 9 V or plugged to electric network  
(optional)

**Also effective against baboons, hyenas, dogs, cats, or for**  
**detering intruders**

**Covered areas 85 Mt2 . 12pcs/MASTER CARTON**

## MULTIFUNCTION PEST REPELLERS

### ULTRAMAX 1500

Multifunction repeller with dual system and 3 selectable working models .

ULTRAMAX 1500 is effective in controlling mice, rats, roaches, fleas, crickets and most of the other common pests.

**+5 YEARS OF USE WITHOUT REFILLING .**

ULTRAMAX 1500 is a device can emit auto-change and auto-sweeping high intensity frequency range of 25,000Hz - 65,000Hz from its dual speakers and/or frequency of 25,000Hz from transducer . The unique ULTRA circuit design strikes the auditory and

nervous systems of the pests strongly with its intensive and wide range of ultrasonic waves. Size: 119 x 98 x 98 mm Weight: 180g . Power supply: AC adaptor: 100-120/60hz or 220-240V 50hz

### ULTRAMAX 10000 & 12000 The SUPER REPELLERS PROFFESIONAL RANGE

Unique repulsive electronic of great power available in the market and that incorporates the special system of multi-modulated ultrasonic sweeping designed by ATLANTS. These units automatically change of frequency 1~60 times per second, assuring an absolute coverage. For rodents, insects and many other tiny beasts.

Effective Against cockroaches, bugs , bats, rats, mice and other rodents .

**THE MOST POWERFUL ONES IN THE MARKET.** The exclusive modulated technology of multiple frequencies forces the undesired tiny beasts to flee from the coverage area. Without chemical agents. 100% secure for human beings and the majority of the domestic animals (if you have a rodent as company animal does not use this system).

Characteristics: eliminates the insects & tiny beasts using the healthier and economic electronic method

These units will not interfere with habitual electronic equipment, detectors of smoke or fire, computers, radio, TV or to other electronic equipment. Emits modulated ultrasonic frequencies that they automatically sweeping between 20KHz to 65KHz.

Covered area:

**300 Mt2 (ULTRAMAX 10.000) and  
600 Mt2 ULTRAMAX 12000 (UNOBSCTUCES AREAS)**

## Specialized repellors

**No pesticides  
No refilling**

### ULTRAMAX 4000 ELECTRONIC BIRD REPELLER

**Are birds ravaging your grapes? Eating the profit on your crops? Does their flight path risk yours at the air field? Hawk, falcon, eagle or owl sounds will terrify them away.**

The **ULTRAMAX 4000** uses a natural predatory principle to scare unwanted birds away from your vineyard, farm, orchard, garden, yard or any other property.

Built-in PIR sensor - detects movements and the powerful loudspeaker broadcasts predatory calls of the hawk, falcon, eagle, and owl species.

AUTO function - you can select a 5-30 minutes time interval for the SONIC BIRDCHASER to operate automatically.

DAYLIGHT sensor - to conserve power,

It also has a sensor that allows it to operate only in the daytime, during which birds are active.

HELP TO FIGHT AGAINST BIRD FLU .

**+5 YEARS OF USE NO REFILLAGE , NO MAITENANCE**

**Scares away sparrows, pigeons, crows, starlings and other pest birds. Ideal for use on vineyards, farms, orchards, gardens, air fields and other properties**

**Three settings: PIR sensor detection, auto function & daylight function**

**Harmless to humans, pets and other animals**

**Safe, clean, economical, and maintenance free**

**Coverage area : up to 4,000m<sup>2</sup> (millas2 1½).  
Sophisticated bird detection systems up to 30ft.**

Based in the art of the falconry, used for centuries to drive away to birds in sensible zones, the sensor detects the movement of birds and activates the sonic system of call of great predatory birds like hawks, eagles, owls stored in a chip, these are reproduced of trustworthy form, forcing doves, gulls and other birds to flee.

12pcs/master carton

**ATLANTS**

## SPECIALIZED PEST REPELLERS

**Mosquito**  
**NO**

### PERSONAL ANTI MOSQUITOES PERSONAL

It maintains the mosquitoes far from user. 1.5 Mts around carrier covered area .

Mimetic system to repel mosquitoes . Entomology ecology has shown that it's the female mosquito that bites, when in breeding season. The biggest threat to females at this stage is a male mosquito. Our unit exploits this fact by mimicking the sound of the male mosquito, which chases the mosquitoes away. Moreover, dragonfly is the natural enemy of mosquito, our STOP mosquito simulates the sound dragonfly sent out when flapping wings to rise attaining to repel each kind of mosquito thus. 20pcs/master carton/pack

Fantastic to play golf, excursions, camping and any activity of outside. It works with batteries, included

## ROYAL 1150PLUS

MOSQUITO REPELLER  
DOUBLE MIMETIC SYSTEM

Coverage:50 mts2.  
INDOOR USE

Stop mosquitoes and stinging insects from bugging you during hiking, camping and other outdoor activities.

Mimetic system to repel mosquitoes . Entomology ecology has shown that it's the female mosquito that bites, when in breeding season. The biggest threat to females at this stage is a male mosquito. Our unit exploits this fact by mimicking the sound of the male mosquito, which chases the mosquitoes away. Moreover, dragonfly is the natural enemy of mosquito, our STOP mosquito simulates the sound dragonfly sent out when flapping wings to rise attaining to repel each kind of mosquito thus. 20pcs/master carton/pack

Range:50 sq meters. Suitable for interior use  
20PCS/master carton  
Voltage: 220/110—50/60Hz

**ARE YOU TIRED  
THAT THESE ANNOYING RODENTS EAT YOUR  
VEGETABLES?**

**NO LONGER YOU SUPPORTS THAT THEY BUILD HOLES IN  
YOUR GARDEN, ORCHARD, FARM...?**

**ATLANTS TOPO-STOP** Stop moles from digging up your garden permanently in a humane, eco-friendly and safe way.

The sonic sounds are produced and emitted at random intervals, which means that burrowing animals are not able to get used to the frequency. The discomfort will cause them to move on to other unprotected areas

Keep lawns, bowling greens, golf courses, flower beds, gardens, farms, allotments etc... free of rodents

**GO DIRECTLY TO THE BURROW and OBLIGE THEM TO GO OUT!**

Effective in controlling gophers, moles, ground squirrels, shrews, voles, pocket mice and kangaroo rats ..  
Random duration time of sound & intervals  
Battery life up to 10 months, energy saving with unique hibernating circuit design.  
Chase them away humanely - don't kill or use gas, traps or poison  
Solid, durable aluminium shaft

**ITS EXCLUSIVE SYSTEM VIBRA-SONIC** ALLOWS THAT VIBRATIONS GO DIRECTLY TO PEST REFUGES WHERE the RODENTS SETTLE and FORCE to THEM TO GO AWAY

Ultra-low frequency ground vibrations .

Coverage 850-1500 Sqm depending of type of soil. Operated by 4 x 1.5 volt "D" batteries. This repellent unit is 100% weather proofed. the best and most effective ultra sonic garden rodent repeller.

Also available in super sturdy ABS , Master carton 24PCS REF. HTAS-ABS)

## SPECIALIZED PEST REPELLERS

# TOPO STOP SOLAR

Our popular TOPO STOP now also available solar powered

**TOPO STOP is THE SOLUTION** against moles, rats, rabbits, voles, gophers, squirrels and other common rodents

INTEGRATED SOLAR POWER SYSTEM .NO WIRES, NO CABLES, ZERO CONSUMPTION FOREVER, AUTOMATIC FUNCTION

AUTOMATIC CHARGING FROM SUN THANK TO INTEGRATED SENSOR

Covered area 500 - 1000 Mt, it will

depends of type of soil .We recommend to use at least 2 units 60 feet apart of so.

+5 YEARS OF USE WITHOUT REFILLING. 15pcs/master carton.

Ideal in homes, gardens, farms, golf, camping's, parks ...

**ECOLOGIC, 100% SECURE, NO TOXICS NO PESTICIDES**  
**ITS EXCLUSIVE SYSTEM VIBRA-**

**SONIC ALLOWS THAT VIBRATIONS GO DIRECTLY TO PEST REFUGES WHERE the RODENTS SETTLE and FORCE to THEM TO GO AWAY**

The product comes in two parts. The first part is a stake containing the chargeable battery that is placed in the ground. The second part is the unit containing the solar panel on top as well as the device which generates the vibrating sound. Install in minutes the unit close to one of the areas which the nasty rodents had dug up and BYE BYE rodents ! REF. ATL6000R

## Pest free exterminators

### SOLAR 3000

Kill effectively mosquitoes, moths, flies and other flying insects

Indoor use and exterior  
100% SOLAR POWERED

Easy to use and clean. Perfect in homes, gardens, hospitals, schools, hotels, parks, public outdoor markets etc..

Rechargeable solar battery integrated . It uses special UV lamp for attracting mosquitoes and kill them by integrated electrical system  
WITH BASE FOR INDOOR USE

Manufactured with quality material according to European standards Electric inner system powered by solar energy and electronically controlled kills effectively flying insects attracted by UV lamp .

With light sensor for automatic recharging if it is placed outdoor. 12pcs/master carton  
Product size : 175X100X 560mm

REF.ATL3000S

### SOLAR-PLUS SOLAR LED LAMP+INSECT KILLER

**DUAL EXTERMINATOR IT WORKS AS SOLAR LAMP WITH SUPER BRIGHT LEDS AND ALSO KILLING MOSQUITOES THANK TO ELECTRIC SYSTEM INSIDE . Esthetical designed, attractively styled, easy to use EQUIPPED WITH UV LAMP FOR ATTRACTUING INSECTS**

**100% SOLAR POWERED INTERIOR and EXTERIOR.**

Built-in solar battery included  
GREAT IN BALCONYS, GARDENS, TERRACE, YARD, PICNIC AREA, PLAY AREA, RESSORTS, HOTELS, NO WIRES, NO INSTALATION REQUIRED

Manufactured with quality material according to European standards . Electric inner system powered by solar energy and electronically controlled kills effectively flying insects attracted by UV lamp .

With light sensor for automatic recharging if it is placed outdoor. 12pcs/master carton- Size : 47x15x15Cm

# EXTERMINATORS PESTICIDE FREE

## SuperStar 5000 PROFESSIONAL

Pests Killer ideal for Agriculture , professional and forestry Use, can effectively catch mosquitoes, budworm, fruit sucking moth, pentatonic bugs, cutworm, rich borer, and rice pant hopper etc. about 1000 kinds of insects. It is widely used in agriculture and forestry, vegetable, fruit garden, tea garden, tobacco leaf, poultry house, storage, and breeding farm. It uses photo kinesis of insects and bio-lights to lure the insects Voltage: AC220-240V AC100-120V 50/60hz **Power: 26W.**

Material: ABS very durable and supporting bad weather conditions.

**Effective areas:** up to 300-500 Mts<sup>2</sup>. Available in various colours. Net size: 260 x 200mm . Base diameter: 1,800mm. Net weight: 1kg Gross weight: 1.30kg .

CB and CE approved. It is free of chemicals and toxics. Exterminate pests by using same principle than SUPERSTAR 2000, more powerful for outdoor professional use. Loading capacity 20ft : 1200pcs. 12pcs/master cartons IDEAL FOR FORESTRY , HARVESTS, FARMS, CAMPINGS , RESORTS carton

RANGE SUPERSTAR is especially indicated in areas with high populations of mosquitoes and areas with diseases transmitted by mosquitoes. An unique range pesticide free

They KILL EFFECTIVELY MOSQUITOS, MOTHS , FLIES and OTHER FLYING INSECTS .

NO TOXICS, NO PESTICIDES and AUTOMATIC PERFORMANCE DURING YEARS .

GREAT EFFECTIVENESS and DURABILITY, WITHOUT SPARE PARTS , NO REFILLING

ENORMOUS POTENTIAL OF USE: Homes, gardens, picnic areas, campings , hunt, golf fields, excursion areas, trips, fishing, popular outdoor markets, rustic meals, barbecues, farm, zones of cattle. , cattle ranches. restaurants, bakeries, schools and camps, hospitals, offices, doctor's offices, zones with water rafts, ponds...

## SUPER-STAR 2000

It is the unique which simulates human's breath to decoy mosquitoes plus UV lamp for attracting mosquitoes which are trapped by powerful suction effect .

**DEODORANT EFFECT** Easily decomposes the air around us polluted with indoor stench, smoke and excrement of pets

**ANTIBIOSIS EFFECT** Protects cell membrane by killing bacteria and suppresses the multiplication of bacteria a strong oxidation decomposition capacity produced inside the unit.

**SELF CLEANING EFFECT** Can always stay clean by just cleaning with a wet towel, because the surface of TiO2 has the function of self-cleaning. **NON TOXIC -ECOFRIENDLY** NO PESTICIDES , NO REFILLAGE , NO MAINTENANCE ECOLOGIC AND SAFE FOR PEOPLE AND PETS

Size :  $\phi$ 255x375mm. Power 22W

**+5 YEARS OF USE CONTINUO NO REFILLAGE , NO MAINTENANCE.** 12pcs/master carton Voltage: 220V, 50Hz or 110/60H . Indoor and outdoor use Area covered : 1 unit per room , up to 100 Mts<sup>2</sup>

**KILL MOSQUITOES & + 1000 TYPES OF INSECTS  
NO TABLES—TO LIQUIDS  
NO PESTICIDES  
MAINTENANCE FREE**

# EXTERMINATORS—PESTICIDE FREE

## MASTER PLUS 2000

**KILL INDEED ALL TYPE  
OF COCKROACHES**

### ELECTRO- KILLER PESTICIDE FREE

The **MASTER PLUS 2000** can be used anywhere , can be used connected to electric network or by AA size batteries.

**NO TOXICS / NO CHEMICALS / ECOLOGIC  
SAFE , CLEAN AND EFFECTIVE, SILENT OPERATION  
UP TO 10 YEARS OF CONTINUAL OPERATION.  
REMOVABLE COVER FOR EASY CLEANING.  
COST PENNIES A MONTH TO OPERATE.**

**SUPERIOR TO ANY OTHER SYSTEM FOR KILLING  
COCKROACHES AVAILABLE IN THE MARKET**

**Ideal in kitchens, restaurants, homes, hotels, food  
preparing or storing areas.....**

#### Technical specifications:

Input: 9V DC, work 6 pieces of size AA. batteries , or using a AC adaptor of 110V or 220-240V/60Hz/9V/ 200mA.

Operation mode: Kill cockroaches by electric inner system with electronic control using cyclic discharge , Also manual discharge available by pressing and hold the power button to achieve continuous forced discharges. Power Consumption: 0.1W on average by static timing; or an instantaneous power consumption less than 2W on average by dynamic discharge. Frequency: 20 KHz ± 10%. Voltage: Pulse wave, peak-to-peak voltage of 4.5KV ± 20% (resistive load of 100KΩ).

Safety Protection: Micro switch, disconnected as soon as the box is opened. Dimensions: 220mm x 160mm x 65mm

Box Material: ABS strong and durable.

Electric Shock Plate: Stainless steel SUS304. Weight: 345mg.

# CATS & DOGS CONTROL

## ULTRAMAX ANTI-DOG

Effective portable dogs and cats chaser to avoid unwanted animals in your way.

+5 YEARS OF USE.

**DOUBLE CHASER SYSEM . Electronic control.** It keeps unwanted dogs and cats far from you .

Portable and easy to use Ideal for the mailmen, sportsmen , outdoor activities, inspectors, in the park with children etc.... It works with 4 rechargeable batteries. Function lantern with superbright led light

**ULTRAMAX  
ANTI-DOG**

## TICKS & FLEAS CONTROL

**NO MORE TOXIC  
COLLARS HANGING  
ON YOUR DOG/CAT  
NECK !**

**No mo toxics in your  
home !**

**No more pesticides  
playing again your  
children !**

**High Tech FREE  
TOXICS  
TICKS & FLEAS COLLAR**

100% safe for pets and their owners. Pulsed sonic waves emitted well out of hearing range of humans, dogs and cats. Field tests conducted in kennels by veterinarians and individuals showed High Tech FREE TOXICS TICKS & FLEAS Collar was better than chemical methods because it is effective, easy and safe. LONG DURATION

#### Features:

Weights only 80 Grams

Comfortable for all cats and dogs.

Materials PVC—SIZE: 71MM X 28.5MM X 26mm

PACK: 1PC/BLISTER CARD, 48PCS/INNER BOX

240PCS/CTN/2.8'/19KGS Weight 80g

Colour black—Applicable for dogs, cats and other pets.

100% safe and effective for pets. No odour, no fuss, no mess and no chemicals

# ULTRAMAX 3500 SOLAR

## Quality animal Deterrent!

TRIPLE SYSTEM Effective protection against rabbits, mice, rats, pigeons, bats, crow, currawong, ibis, little Corella, red wattlebird, sparrow, starling, or any birds that are attracted to your fruit trees, garden, building...., also effective to scare squirrels, rabbits and other rodents

Solve pest problems in many types of facilities including: loading docks & warehouses, bridges & overpasses Office complexes, parking structures, arenas, shopping centres, gardens, hotels, resorts, ports, fisheries... Farms, vineyards, orchards, fields, farmers and agriculturist, agro distributors, grain storage companies (prevent bird depredation of crops)

**PERMANENT SOLUTION, NO REFILLS** keeps the birds out once and for all, long life span, **EASY INSTALLATION** lightweight, maintenance-free. **SIMPLY, THE SOLUTION!**

### EUROPEAN TECHNOLOGY

The ULTRAMAX 3500 solar detects all birds up to 10-meter scope from the unit, emits sound or light, or their combinations in synergy to repel any bird, without causing any harm to bird or people. It has significantly reduced or completely eliminated bird problems in thousands of deployments.

**Heavy-duty** – It is made of sturdy ABS material and is a powerful speaker and super bright strobe lamp.  
**Synergy** - We have seen that sound devices are even more effective when used along with a visual device. This unit adopts both system plus sonic system for maximum effectiveness; birds flee the area... never to return.

Easy to mount, generate ultrasonic sound automatically varying (**AUTO RANDOM SWEEPING SYSTEM**) from 10 kHz to 27 kHz to repel all different kinds of birds.

Ultrasound alternate time: 5~8 sec.. Auto Change Ultrasound Frequency: 10~20 KHZ. Auto Change Frequency Cycle: 36Hz ±2HZ.

**ANIMALS CANNOT ACCOMODATE TO THEM THANK TO AUTO CHANGING SYSTEM.**

Monitors a 120° arc up to a distance of 10 metres. Up to 150 Mts unobstructed area. Weather resistant Size: 17 x 13 x 11 Cm.

Battery: Rechargeable Ni-Cd X 3pcs, Battery Capacity≥700mAh. Solar panel size: 65 x 65mm

### SOLAR POWERED SUPER EFFICIENT BIRD REPELLER

#### UNIQUE SYSTEM

- AUTO SWEEPING
- ULTRASONIC
- STROSCOPE FLASH LIGHT
- INFRARED DETECTOR
- SOLAR POWERED, ZERO COST
- NO MAINTENANCE

## PERSONAL DISINFECTION CLOSET

IN ONLY 7 MINUTES IT IS CAPABLE TO DISINFECT EVERYTHING PLACED INTO THE CABINET.

With the same effectiveness that a professional disinfection closet, this compact closet of disinfection by ultraviolet rays.

The UV Disinfecting closet uses ultraviolet technology keeping your personal tools clean and healthy.

Just put into this device tool where harmful micro organism loves to stay like toothbrushes, combs, towel, and let this gadget do the cleaning for you.

Essential in baths, hotels, hospitals, medical consuler, hairdressing salon, pedicure consultations. It maintains toothbrushes, towels, scissors, shaving machine etc... 100% disinfected and health

Switch plug-on. Simply closing the door the disinfection process starts, opening the door it is automatically off.

Express disinfection system, comfortable and simple to use. Time for complete disinfection 7 minutes only

Disinfection means elimination or deactivation of pathogenic microorganisms. Disinfection by UV-radiation is fast, safe, efficient and an environmentally friendly method successful used for many years worldwide.

The germicidal effect of short wave UV radiation is based on the absorption by nucleic acid (DNA, RNA) in the nucleus of micro organisms. In the nucleus, UV-C-radiation triggers a photochemical reaction, which changes the genetic information contained in the nucleic acids of micro organism. Cell division and reproduction are no longer possible. With UV-C-radiation water, air and surfaces can be sterilised. In dependence of the intensity of radiance, reduction of germs can as high as 99 percent.

- **Benefits**
- **Long-lasting product due to high quality of raw materials.**
- **Very easy installation by user**
- **Almost free maintenance**
- **Exceptionally cost effective**
